6. **Method of registration of a Company**

6.1 Any one or more persons may apply for the registration of a Company by signing and filing with the Registrar an application for registration of a Company.

6.2 The application for registration of a Company filed with the Registrar must be signed by the Initial Shareholders and must include:

7.2 On the registration of a Company, the Registrar must:
(a) issue a Certificate of Registration to confirm that the Company has been registered;

(c) assign to the Company a number, which will be the DMCC Entity Number; and

(d) enter the name of the Company in the Register of DMCC Entities.

7.3 From the date of registration contained in the Certificate of Registration, the Initial Shareholders (or such other persons who from time to time become Shareholders) will form a corporate entity, having the name contained in the Certificate of Registration and capable of exercising all of the functions of a company.

7.4 A Certificate of Registration is conclusive evidence:

(a) of the registration of the Company; and

(b) that the requirements of these Regulations have been complied with in respect of the registration of the Company.

(b) such other matters as the Shareholders wish to include in the Articles, provided that the Articles may not contain a provision which is contrary to or inconsistent with these Regulations.

8.3 DMCCA may prescribe model articles of association to be known as the Standard Articles and a Company may for its Articles adopt the Standard Articles.

8.4 If the Standard Articles are not adopted by a Company, a Company may adopt its own Articles if it provides to the Registrar a legal opinion, in a form satisfactory to the Registrar, that its Articles do not contain a provision which is contrary to or inconsistent with these Regulations.

8.5 If at any time the Registrar notifies a Company that, in the opinion of the Registrar, the Articles of that Company contain a provision which is contrary to or inconsistent with these Regulations, that Company must amend its Articles within twenty Business Days of such notification in such manner as the Registrar may direct.

9. **Effect of Articles**

9.1 Subject to the provisions of these Regulations, the Articles are legally binding on a Company and its Shareholders to the same extent as if:

(b) the Articles contained an agreement on the part of the Company and each Shareholder to observe all of the provisions of the Articles.

(d) any rights or obligations of the Shareholders and/or the Company, which have arisen under the Articles prior to the date of adoption of the new Articles, will not be affected unless the new Articles specifically provide otherwise.

10.3 Notwithstanding anything in the Company’s Articles, a Shareholder is not bound by any provision of the Articles adopted after the date on which that Shareholder became a Shareholder to the extent that the provision:

(a) requires the Shareholder to take or subscribe for more shares than the number held by the Shareholder at the date on which the Articles were adopted;

(b) in any way increases the Shareholder’s liability as at that date to contribute to the Company’s Share Capital; or

(c) otherwise requires the Shareholder to pay money to the Company,

unless the Shareholder agrees in writing, either before or after the Articles are adopted, to be bound by it.

34.2 If a Company holds Treasury Shares, the Company must be entered in the Shareholder Register as a Shareholder holding those Treasury Shares.

34.3 A Company must not exercise any right in respect of Treasury Shares held by it (including any right to attend or vote at meetings). Any purported exercise of such a right is void.

34.4 No dividend may be paid, and no other distribution (whether in cash or otherwise) of a Company’s assets (including any distribution of assets to members on a winding-up) may be made to the Company in respect of Treasury Shares held by it.

35. **Treasury Shares: disposal and cancellation**

35.1 If a Company holds Treasury Shares, the Company may at any time:
(a) sell any of those shares;

(b) transfer any of those shares for the purposes of or pursuant to an employees' share scheme; or

(c) cancel any of those shares.

35.2 If under Regulation 35.1(c) a Company cancels shares held as Treasury Shares, the amount of the Company’s Share Capital will be diminished by the nominal value of those shares.

35.3 If any shares in a Company are cancelled under this Regulation 35:

(a) this cancellation is not treated as a reduction of capital for the purposes of Regulation 29; and

(b) the Company must give notice of the cancellation to the Registrar, within the period of twenty Business Days beginning with the date on which the shares are cancelled.

36. **Treasury Shares: proceeds of sale**

36.1 If any shares held as Treasury Shares are sold, the proceeds of sale must be dealt with in accordance with this Regulation 36.

36.2 If the proceeds of sale are equal to or less than the purchase price paid by the Company for the shares, the proceeds must be treated as a realised profit of the Company.

36.3 If the proceeds of sale exceed the purchase price paid by the Company for the shares:

(a) that part of the proceeds of sale that is equal to the purchase price paid must be treated as a realised profit of the Company; and

(b) a sum equal to the excess must be transferred to the Company’s share premium account.

37. **Meaning of Holding Company and Subsidiary**

37.1 For the purposes of these Regulations, a corporate entity (Company A) is a Subsidiary of another corporate entity (Company B) only if:

(a) it is controlled by:

   (i) Company B; or

   (ii) Company B and one or more corporate entities each of which is controlled by Company B; or

(b) it is a subsidiary of a subsidiary of Company B.
37.2 For the purposes of these Regulations, a corporate entity (Company C) is the Holding Company of another corporate entity (Company D) if Company D is its Subsidiary.

37.3 For the purposes of these Regulations, a corporate entity (Company E) is controlled by another corporate entity (Company F) or person or by two or more corporate entities only if:

(a) Company F controls the board of directors of Company E; or

(b) Company F, a person or two or more corporate entities hold shares (or such shares are held for their benefit), other than by way of security, representing 50 per cent. of the votes for the appointment of Company E’s directors,

and the votes carried by such shares are sufficient, if exercised, to elect a majority of the board of directors of Company E.

38. **Participation in a Holding Company**

38.1 Except in the cases mentioned in these Regulations, a Subsidiary cannot own shares in its Holding Company and an allotment of shares from a Company to its Subsidiary is void.

38.2 Regulation 38.1 does not prevent a Subsidiary which is, when it becomes a Subsidiary, a Shareholder of its Holding Company, from continuing to be a Shareholder but, subject to Regulation 38.4, the Subsidiary:

(a) has no right to vote at meetings of the Holding Company or a type or class of its members;

(b) may not acquire further shares in the Holding Company except on a capitalisation issue; and

(c) must within twelve months dispose of all of its shares in the Holding Company.

38.3 Regulations 38.1 and 38.2 apply in relation to a nominee for a corporate entity which is a Subsidiary as if references to the corporate entity included a nominee for it.

38.4 Nothing in this Regulation applies where the Subsidiary concerned is a Trustee.

the Minutes Register.

40. **Shareholder Register**

A Company must provide the Registrar with the following details to allow the Registrar to maintain the Shareholder Register of the Company:

(a)  copy of any share transfer document; and

(b)  any other information the Registrar may require from time to time.

41. **Security Register**

41.1 Subject to the provisions of the Articles and applicable law, a Shareholder may grant security over its shares in a Company. A Company must provide the Registrar with the following details to allow the Registrar to maintain the Security Register of the Company:

(a)  the name and address of the Shareholder granting the security interest;

(b)  the number of shares (and, if applicable, their type or class) affected by the security interest;

(c)  the date on which the security interest over the shares was created;

(d)  the amount of the security interest;
(e) the name and address of the security holder; and

(f) a copy of the instrument granting the security interest.

41.2 The Company must provide the details referred to in Regulation 41.1, within five Business Days of its receipt of the relevant information.

41.3 A security interest shall only be perfected upon its entry into the Security Register.

41.4 A Shareholder must report to the Company the creation, modification or discharge of a security interest over any of its shares in the Company within five Business Days of the creation, modification or discharge of such security interest. The report must include the information set out in Regulation 41.1 and include a copy of the instrument granting the security interest.

42. Officer Register

The Registrar must maintain in respect of each Company and Branch the Officer Register which must contain such particulars as the Registrar may from time to time determine, including the names of:

(a) in respect of each Company, the Directors, Secretary and Manager; and

(b) in respect of each Branch, the Manager and any Secretary.

43. Inspection of Registers

43.1 DMCCA has absolute discretion as to whether a person who is not a Shareholder of a Company or the Branch Parent of a Branch has the right to receive an extract of a Register.

43.2 DMCCA shall be deemed to have delegated such rights to the Registrar, unless DMCCA indicates otherwise.

43.3 The Shareholder Register, the Officer Register and the Security Register must during business hours be open to the inspection of a Shareholder of the Company. A Shareholder of a Company may receive an extract of a Shareholder Register, Officer Register and/or Security Register.

44. Rectification of Registers

44.1 If:

(a) the name of a person or the number of shares held is, without sufficient reason, entered in or omitted from the Shareholder Register of a Company;

(b) there is a failure or unnecessary delay in entering in the Shareholder Register the fact of a person having ceased to be a Shareholder; or
(c) the Security Register of a Company does not accurately reflect the information required under Regulation 41,

the person aggrieved, or a Shareholder of the Company, or the Company, may apply to the Registrar for rectification of the relevant Register.

44.2 The Registrar may refuse the application or may rectify the relevant Register. If the Registrar refuses the application, the Registrar shall provide the grounds for such refusal in writing to the applicant.

44.3 Whether or not the Registrar exercises power under Regulation 44.2, DMCCA may make one or more of the following orders:

(a) on application of a person aggrieved, a Shareholder of the Company or the Company, an order directing the Registrar to, or not to, rectify the relevant Register or to do any act or thing; or

(b) on application of a person aggrieved, an order requiring the Company to pay a fine or to do any act or thing.

45. Transfer and registration

45.1 Irrespective of anything in a Company's Articles, the Registrar may only register a transfer of shares in the Company where a share transfer document has been signed by or on behalf of the transferee and transferor. This share transfer document must be delivered to both the Registrar and the Company for the transfer to take effect and the share transfer will be effective from the registration of the transfer by the Registrar.

45.2 This Regulation 45 does not prevent the Registrar from registering a person as a Shareholder where such person has been granted a right to shares in the Company by operation of law. Any such person may be registered as a Shareholder upon such evidence being produced as may reasonably be required by the Registrar. An application by any such person to be registered as a Shareholder for all purposes shall be deemed to be a transfer of Shares of the Shareholder and the Registrar shall treat it as such.

45.3 A Trustee of a deceased Shareholder must be treated as a Shareholder for, and only for, the purposes of executing the share transfer document in respect of such Shareholder's share or interest.

45.4 On the application of the transferor of a share or interest in a Company, the Registrar must enter the name of the transferee in the Shareholder Register in the same manner and subject to the same conditions as if the application for the entry were made by the transferee.

45.5 If the Registrar refuses to register a transfer of shares, the Registrar must provide the transferor and transferee with a notice stating that the transfer of shares has been rejected within a reasonable time period of such application to the Registrar.

46. **Dividends**

A Company may, by an Ordinary Resolution, declare a dividend or resolve to make a distribution at any time.

48. Consequences of unlawful distribution

48.1 Where a distribution, or part of a distribution, made by a Company to any of its Shareholders is made in contravention of Regulation 47 and, at the time of the distribution, the Shareholder knows or has reasonable grounds for believing that it is so made, the Shareholder is liable to repay it, or that part of it, to the Company.

48.2 In the case of a distribution made otherwise than in cash, the Shareholder must pay to the Company an amount equal to the value of the distribution.

56.4 Where any provision of these Regulations requires a Company or Branch to make any filing or notification to DMCCA or the Registrar, the Officers (in the case of a Company) or the Secretary (if any) and Manager (in the case of a Branch) must procure that the Company or Branch makes such filing or notification in accordance with the relevant time limit set out in these Regulations.

57.2 On such an application referred to in Regulation 57.1, DMCCA may issue an order if it is satisfied that the person’s conduct makes that person unfit to be an Officer or otherwise be involved in the management of a DMCC Entity and impose a Sanction on such person and/or the relevant DMCC Entity.

57.7 DMCCA may publish any order made under Regulation 57.2.

SECTION 10 - GENERAL MEETINGS

58. Annual General Meetings

58.1 Unless a shorter duration is provided in a Company's Articles, a Company must hold a General Meeting as its annual General Meeting within eighteen months from the date of its registration and once every twelve months after that event.

58.2 A meeting of the Shareholders, other than the annual General Meeting, is an extraordinary General Meeting.

59. Request of meetings

59.1 Notwithstanding anything in the Company's Articles, upon a Shareholders' Request, the Directors or Secretary must, in accordance with the request, call:

(a) an extraordinary General Meeting; or

(b) a meeting of Shareholders of the relevant type or class of shares,

to be held as soon as possible but in any case not later than sixty Business Days after the date of the Shareholders' Request.

59.2 A Shareholders' Request is:

(a) in respect of Regulation 59.1(a), a request of Shareholders holding shares representing 10 per cent. or more of the Share Capital of the Company; and
(b) in respect of Regulation 59.1(b), a request of Shareholders holding shares representing 10 per cent. or more of the voting rights for the relevant type or class of shares of the Company.

59.3 A Shareholders’ Request must:

(a) state the purpose of the meeting;

(b) be signed by or on behalf of the Shareholders making the Shareholders’ Request; and

(c) be delivered at the registered office of the Company.

59.4 A Shareholders’ Request may be signed in any number of documents which are in similar form each signed by or on behalf of one or more of such Shareholders.

59.5 If the Directors or Secretary do not within ten Business Days from the date of the deposit of the Shareholders’ Request issue a notice for the relevant meeting, the Shareholders who made the Shareholders’ Request may call the relevant meeting.

59.6 A meeting called in accordance with Regulation 59.5 must:

(a) be held within ninety Business Days from the date of the Shareholders’ Request; and

(b) be called, as soon as reasonably practicable, in the same manner as a meeting called by the Directors or Secretary in accordance with these Regulations.

60. Registrar’s power to call meeting in default

If a meeting is not held in accordance with Regulation 58 or 59, the Registrar may, on the application of any Director, Secretary or Shareholder, call, or direct the calling of, a General Meeting of the Company.

61. Notice of meetings

61.1 Any meeting of a Company (other than an adjourned meeting) may be called by giving ten Business Days’ notice in writing.

61.2 If a meeting is called by shorter notice than that specified in Regulation 61.1, it will be treated as having been duly called if it is so agreed by Shareholders holding not less than 95 per cent. of the total voting rights permitted to vote at the meeting.

61.3 A notice of a General Meeting of a Company must:

(a) set out the time, place and date for the General Meeting;

(b) state the nature of the General Meeting’s business;
(c) set out the intention to propose any Ordinary Resolution or Special Resolution and state the contents of such resolution; and

(d) include a copy of any accounts and auditor’s reports that are to be laid before the General Meeting, if relevant.

62. **Representation of corporate entity at meetings**

A Shareholder who is a corporate entity may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of a Company. In doing so, such representative will be treated as having the authority to exercise all the rights of the Shareholder.

63. **General provisions as to meetings and votes**

Unless the Company’s Articles make alternative provision, the following provisions apply to any meeting of the Shareholders:

(a) notice of the meeting must be given to every Shareholder entitled to receive it by delivering or posting it to the Shareholder’s registered address;

(b) at any General Meeting (other than a meeting adjourned for lack of quorum), the attendance of persons holding (or represented by proxy) more than 50 per cent. of the total voting rights permitted to vote will be a quorum;

(c) at any General Meeting adjourned for lack of quorum, one person personally present or represented by proxy will be a quorum;

(d) any Shareholder or Director elected by the Shareholders present at any such meeting may be chairman;

(e) on a show of hands, every Shareholder present in person at any such meeting has one vote and, on a poll, every Shareholder has one vote for every share held by that Shareholder; and

(f) unless provided otherwise in these Regulations or the Articles, a resolution of the Shareholders shall be passed if approved by Ordinary Resolution.

64. **Written resolutions**

64.1 Subject to a Company’s Articles, anything that may be done by an Ordinary Resolution or Special Resolution passed at a General Meeting may be done by a resolution in writing signed by or on behalf of each Shareholder entitled to vote on the resolution.

64.2 A resolution in writing may be signed in counterparts and is treated as being passed when the last Shareholder signs the resolution or on such later date as is specified in the resolution.
65. **Recording of decisions by sole Shareholder**

65.1 A General Meeting of a Company with a sole Shareholder will be considered to be convened, and a resolution will be considered to be passed at such General Meeting, by the Shareholder issuing a decision in writing. If a decision is not taken in writing, the Shareholder must provide the Company with a record in writing of the decision within twenty Business Days of such decision.

65.2 A failure to comply with Regulation 65.1 does not affect the validity of the decision.

66. **Proxies**

66.1 A Shareholder entitled to attend and vote at a General Meeting is entitled to appoint, by notice to the Company in writing, another person (whether a Shareholder or not) as that Shareholder’s proxy to attend and vote instead of that Shareholder.

66.2 A proxy appointed to attend and vote instead of a Shareholder has the same rights as the Shareholder to speak at the meeting, including the right to attend and vote at the meeting.

66.3 In every notice calling a General Meeting, there must appear with reasonable prominence a statement that a Shareholder entitled to attend and vote is entitled to appoint a proxy or, where that is allowed, one or more proxies to attend and vote instead of that Shareholder, and that a proxy does not need to be a Shareholder.

67. **Demand for poll**

67.1 A provision contained in a Company’s Articles is void if it would have the effect either:

113.1 If the liquidator or liquidators at any time following appointment, in a solvent winding-up conclude that the Company will be unable to pay its debts in full they shall, promptly, call for a Creditors' meeting in accordance with Regulation 113.2.

113.2 From the day that the Creditors' meeting is held under Regulation 113.1, this Regulation 113 has effect as if:

(a) the Directors' declaration under Regulation 107 had not been made (save for any offences committed under that Regulation); and

(b) the Creditors' meeting held under Regulation 113.1 and the General Meeting at which it was resolved that the Company be wound-up voluntarily were the meetings held in accordance with Regulation 122, and accordingly the winding-up becomes an insolvent winding-up.

**SECTION 18 - SUMMARY WINDING-UP**

114. **Application of this Section**

This Section 18 applies in relation to a summary winding-up.

115. **Declaration of solvency**

115.1 Where it is proposed to commence a summary winding-up, a declaration of solvency in a form prescribed from time to time by the Registrar shall be signed by the Directors (or in the case of a Company having more than one Director, the majority of them).

115.2 The declaration of solvency shall state that, having made full inquiry into the affairs of the Company:

(a) the Company has no assets and no liabilities; or

(b) the Company has assets and no liabilities; and

(c) the affairs of the Company are capable of being finally wound-up within six months of the commencement of the summary winding-up.
115.3 The declaration of solvency must be made within the period of twenty Business Days before the date of passing the resolution for winding-up, or on that date but before passing the resolution.

116. **Appointment of liquidator**

116.1 In a summary winding-up, the Company at a General Meeting shall appoint one or more liquidators for the purpose of winding-up the Company's affairs and distributing its property.

116.2 The chairman of the General Meeting held in accordance with Regulation 116.1 (or, if there was no chairman, one of the liquidators) shall prepare a notice of appointment of liquidators in a form prescribed from time to time by the Registrar, which shall be signed by the liquidator or liquidators appointed at the General Meeting.

116.3 The person preparing the notice of appointment of liquidators in accordance with Regulation 116.2 shall send such notice, together with the declaration of solvency made in accordance with Regulation 115 and a copy of the minutes of the General Meeting, to the Registrar within fifteen Business Days of the date of the General Meeting.

117. **Directors' powers**

On the appointment of a liquidator, all the powers of the Directors cease, except so far as the Company at a General Meeting or the liquidator sanction their continuance.

118. **Vacancy in office of liquidator**

If a vacancy occurs in the office of liquidator by death, resignation or otherwise, the Company at a General Meeting may fill the vacancy. For that purpose, a General Meeting may be convened by any Shareholder or, if there was more than one liquidator, by a continuing liquidator.

119. **Conversion to solvent voluntary winding up**

119.1 If the liquidator, in a summary winding-up, has not submitted an application for the Company to be Dissolved under Regulation 161 within six months from the date of the Directors' declaration under Regulation 115, this Regulation 119.1 has the effect that:

   (a) the Directors' declaration made under Regulation 115 had instead been made under Regulation 107; and

   (b) the summary winding-up becomes a solvent winding-up.

120. **Conversion from summary to insolvent winding-up**

120.1 If the liquidator or liquidators at any time following appointment, in a summary winding-up conclude that the Company will be unable to pay its debts in full they shall, promptly, call for a Creditors' meeting in accordance with Regulation 122 below.
120.2 From the day that the Creditors’ meeting is held under Regulation 120.1, this Regulation 120.2 has effect as if:

(a) the Directors’ declaration under Regulation 115 had not been made (save for any offences committed under that Regulation); and

(b) the Creditors’ meeting held under Regulation 120.1 and the General Meeting at which it was resolved that the Company be wound-up voluntarily were the meetings held in accordance with Regulation 122, and accordingly the winding-up becomes an insolvent winding-up.

SECTION 19 - INSOLVENT VOLUNTARY WINDING UP

121. Application of this Section

121.1 Subject to Regulation 121.2, this Section 19 applies in relation to an insolvent voluntary winding up.

121.2 Regulations 122 and 123 do not apply where, under Regulations 113 or 120 a winding-up has become an insolvent winding-up.

122. Initial meetings of the Company and Creditors

122.1 The Company shall:

(a) call a General Meeting at which the resolution for an insolvent winding-up is to be proposed;

(b) call a meeting of its Creditors within ten Business Days of the General Meeting in Regulation 122.1(a);

(c) distribute notices of the Creditors’ meeting by reputable courier or such other method as approved by the Registrar to each known Creditor and by publication in a manner prescribed by the Registrar from time to time at least eight Business Days before the day for which that meeting has been called;

(d) appoint a person to act as chairman of the Creditors’ meeting; and

(e) propose a person or persons to act as liquidator of the Company.

122.2 The Directors of the Company shall:

(a) produce a statement of affairs of the Company, signed by at least one Director and present that statement before the Creditors' meeting; and

(b) appoint a Director to attend at the meeting, and that Director shall attend the meeting.
123. **Appointment of liquidator**

123.1 The Creditors and the Company at their respective meetings referred to in Regulations 122.1(a) and 122.1(b) may each nominate one or more persons to act as liquidator.

123.2 The Creditors shall appoint the liquidator at their meeting referred to in Regulation 122.1(b) by a simple majority by value of claims by Creditors in attendance and by formally submitted proxies.

123.3 The chairman of the Creditors’ meeting shall have complete discretion to reject or attach a nominal value to any claim submitted by a Creditor (for the purposes of voting at that meeting).

123.4 The chairman of the Creditors’ meeting shall prepare a notice of appointment of liquidators in a form prescribed from time to time by the Registrar, which shall be signed by the liquidator or liquidators appointed at the Creditors’ meeting.

123.5 The chairman of the Creditors’ meeting shall send the notice of appointment of liquidators, together with a copy of the minutes of the General Meeting and the Creditors’ meeting, to the Registrar within five Business Days of the date of the Creditors’ meeting.

123.6 The liquidator’s appointment shall be effective from the date on which the notice of appointment prepared in accordance with Regulation 123.4 is certified by the chairman of the Creditors’ meeting and the date of certification shall be endorsed on such notice.

124. **Directors’ powers**

124.1 During the period following the commencement of the winding-up but prior to the appointment of a liquidator, the powers of the Directors shall not be exercised except:

(a) with the consent of the Registrar; or

(b) to secure compliance with Regulation 122; or

(c) to protect the Company’s assets.

124.2 On the appointment of a liquidator, all the powers of the Directors cease, except so far as the Liquidation Committee (or, if there is no such Liquidation Committee, a meeting of the Creditors) permits their continuance.

125. **Vacancy in office of liquidator**

If a vacancy occurs in the office of a liquidator, by death, resignation or otherwise, (other than a liquidator appointed by, or by the direction of, the Court) the Creditors may resolve at a meeting of Creditors to fill the vacancy.

126. **Appointment of Liquidation Committee**

126.1 The Creditors at a meeting held in accordance with Regulation 122 may vote to appoint a committee (the **Liquidation Committee**) consisting of a minimum of three and a
maximum of five members eligible under Regulation 128 to exercise the functions conferred on it by, or under, these Regulations.

126.2 If a Liquidation Committee is appointed, the Company may by resolution nominate Creditors to be members of a Liquidation Committee.

126.3 The Creditors may resolve that all or any of the persons nominated by the Company ought not to be members of the Liquidation Committee. If the Creditors so resolve, the persons nominated by the Company shall not (unless otherwise directed by the Registrar) act as members of the Liquidation Committee.

127. **Functions of Liquidation Committee**

In addition to any functions conferred on a Liquidation Committee by any provision of these Regulations, a Liquidation Committee shall assist the liquidator in discharging the liquidator's functions and act in relation to the liquidator in such a manner as may be agreed from time to time.

128. **Eligibility to be a member of Liquidation Committee**

A person claiming to be a Creditor is eligible to be a member of the Liquidation Committee if:

- (a) that person has delivered a proof of debt;
- (b) the proof of debt has neither been wholly disallowed for voting purposes, nor wholly rejected for the purpose of distributions or dividends; and
- (c) the debt is not fully secured.

129. **Meetings of the Liquidation Committee**

129.1 Subject to the subsections of this Regulation 129, meetings of the Liquidation Committee shall be held when and where reasonably determined by the liquidator.

129.2 The liquidator shall call a first meeting of the Liquidation Committee to take place within three months of his appointment or of the Liquidation Committee's establishment (whichever is the later).

129.3 Thereafter the liquidator shall call a meeting:

- (a) if so requested by a member of the Liquidation Committee or his representative (the meeting then to be held within fifteen Business Days of the request being received by the liquidator);
- (b) for a specified date, if the Liquidation Committee has previously resolved that a meeting be held on that date; and
- (c) at least once in any six month period.
129.4 The liquidator shall give at least five Business Days' written notice of the venue of a meeting to every member of the Liquidation Committee (or his representative, if designated for that purpose), unless the requirement of the notice has been waived by or on behalf of any member.

129.5 Waiver may be signified either at or before the meeting.

129.6 The chairman at any meeting of the Liquidation Committee shall be the liquidator, or a person nominated by him to act.

129.7 A person nominated in accordance with Regulation 129.6 to act as chairman must be either:

(a) a person who is qualified to act as a liquidator in relation to the Company under Regulation 145; or

(b) an employee of the liquidator or his firm who is experienced in insolvency matters.

129.8 A meeting of the Liquidation Committee is duly constituted if due notice of it has been given to all the members, and at least two Creditor members are present or represented.

129.9 A member of the Liquidation Committee may, in relation to the business of the Liquidation Committee, be represented by another person duly authorised by him for that purpose.

129.10 No person shall:

(a) on the same Liquidation Committee, act at the same time as representative of more than one committee-member; or

(b) act both as a member of the Liquidation Committee and as representative of another member.

129.11 Where a member's representative signs any document on that member's behalf, the fact that he so signs must be stated below his signature.

130. **Obligations of the liquidator to Liquidation Committee**

130.1 Subject to Regulation 130.2, it is the duty of the liquidator to report to the members of the Liquidation Committee all such matters as appear to him to be, or as they have indicated to him as being, of material concern to them with respect to the winding-up.

130.2 In the case of matters so indicated to the liquidator by the Liquidation Committee, the liquidator shall not be required to comply with any request for information where it appears to him that:

(a) the request is frivolous or unreasonable; or

(b) the cost of complying would be excessive, having regard to the relative importance of the information; or
(c) there are not sufficient assets to enable the liquidator to comply; or

(d) in the opinion of the liquidator, compliance would prejudice the position of other Creditors; or

(e) there is a legal or regulatory duty not to do so; or

(f) compliance would otherwise constrain the liquidator in the performance of his duties in the winding-up.

131. Voting rights and resolutions of Liquidation Committee

131.1 At any meeting of the Liquidation Committee, each member of it (whether present, or by his representative) has one vote; and a resolution is passed when a simple majority of the Creditor members present or represented have voted in favour of it.

131.2 If a member of the Liquidation Committee is considered by the liquidator to have an interest in conflict with the general body of Creditors, the votes of that member shall not be counted towards the number required for passing a resolution relating to such conflict but the way in which that member has voted shall be recorded.

131.3 The liquidator shall within ten Business Days of determining a conflict submit to the Registrar a report detailing the nature of the member's conflict and any action taken.

131.4 Every resolution passed shall be recorded in writing, either separately or as part of the minutes of the meeting. The record shall be signed by the chairman of such meetings of the Liquidation Committee and kept with the records of the liquidation.

132. Termination of Liquidation Committee membership

132.1 A Creditor's membership of a Liquidation Committee is automatically terminated if:

(a) that member has ceased to be eligible to be a member of the Liquidation Committee under Regulation 128;

(b) that member is neither present nor represented at three consecutive meetings of the Liquidation Committee (unless at the third of those meetings it is resolved that this Regulation 132 is not to apply in that member's case); or

(c) that member ceases to be a Creditor or is found never to have been a Creditor.

132.2 A member of the Liquidation Committee may resign by notice in writing delivered to the liquidator.

132.3 A member of the Liquidation Committee may be removed by resolution at a meeting of Creditors.

132.4 A member of the Liquidation Committee may be removed by an order of the Court following a petition by the liquidator or Registrar.
133. **Vacancy on Liquidation Committee**

133.1 If there is a vacancy in or among the members of the Liquidation Committee, the vacancy need not be filled if the liquidator and a majority of the remaining Creditor members so agree, provided that the total number of members does not fall below three members.

133.2 The liquidator may appoint any qualified Creditor to fill the vacancy, if a majority of the other Creditor members agree to the appointment, and the appointed Creditor consents to act.

133.3 Alternatively, a meeting of Creditors may resolve that a Creditor be appointed (with his consent) to fill the vacancy. In this case, at least ten Business Days’ notice must have been given of the resolution to make such an appointment (whether or not of a person named in the notice).

134. **Progress report to Shareholders and Creditors at year’s end**

134.1 If an insolvent winding-up continues for more than twelve months, the liquidator must, within three months of each anniversary of his appointment, until ceasing to act:

   (a) prepare a progress report providing a summary of his acts and dealings, and of the conduct of the winding-up, during the preceding year; and

   (b) send a copy of the progress report to the Shareholders and Creditors of the Company and to the Registrar.

134.2 A progress report is not required for any period which ends after the liquidator has sent a final report to Shareholders under Regulation 136.

135. **Meeting of the Company and Creditors at each year’s end**

135.1 If an insolvent winding-up continues for more than twelve months, the liquidator shall call a General Meeting of the Company and a meeting of the Creditors to be held within three months of the anniversary of the commencement of the winding-up, or such longer period as the Registrar may allow.

135.2 At each annual General Meeting of the Company and meeting of the Creditors the liquidator shall present a summary of his acts and dealings and of the conduct of the winding-up during the preceding twelve months.

136. **Final meeting prior to the Company being Dissolved**

136.1 As soon as the Company’s affairs are fully wound-up and prior to the Company being Dissolved, the liquidator shall prepare a summary of the winding-up, showing how it has been conducted and how the Company’s property has been disposed of, following which the liquidator shall call a General Meeting of the Company and meeting of the Creditors for the purpose of presenting the summary and giving an explanation of it.
136.2 Notice specifying the time, place and object of the meetings shall be published in a manner prescribed by the Registrar from time to time, at least fifteen Business Days prior to the date of the relevant meeting.

136.3 Within five Business Days of the date of the relevant meeting, the liquidator shall submit to the Registrar a copy of the summary and minutes of that meeting.

SECTION 20 - INVOLUNTARY WINDING UP

137. **Circumstances in which a Company may be wound-up by the Court**

A Company may be wound-up by the Court if the Court makes such an order following a petition to wind-up a Company by the Registrar in accordance with Regulation 138.

138. **Petition for winding-up by the Registrar**

The Registrar may (but is not obliged to) present a petition to the Court for a Company to be wound-up if the Registrar (in its sole discretion) determines that:

(a) the Company has been Struck-off under Regulation 167; or

(b) the Company has committed a serious or repeated contravention of any of these Regulations or any other regulation, rule, policy or decision applicable in the DMCC Free Zone.

139. **Powers of Court on hearing of petition**

139.1 On hearing a winding-up petition the Court may dismiss it, or adjourn the hearing conditionally or unconditionally, or make an interim order, or any other order that it thinks fit.

139.2 Where the Court orders that the Company be wound-up, the Court shall identify in the winding-up order the person who is to act as liquidator of the Company, and that person shall take office immediately upon the order being made.

140. **Commencement of winding-up**

The winding-up of a Company by the Court is deemed to commence at the time of the presentation of the petition for the winding-up by the Registrar.

141. **Notice of winding-up order**

On the making of a winding-up order by the Court, the liquidator must within five Business Days:

(a) send a copy of the order to the Registrar; and

(b) publish notice of the order in a manner prescribed by the Registrar from time to time.
142. **Progress report to Shareholders and Creditors at year’s end**

(b) send a copy of the progress report to the Shareholders and Creditors of the Company and to the Registrar.

142.2 A progress report is not required for any period which ends after the liquidator has sent a final report to Shareholders under Regulation 143.

143. **Final meeting prior to the Company being Dissolved**

143.1 As soon as the Company's affairs are fully wound-up and prior to the Company being Dissolved, the liquidator shall prepare a summary of the winding-up, showing how it has been conducted and how the Company's property has been disposed of.

143.2 Following completion of the summary prepared under Regulation 143.1 the liquidator shall call a General Meeting of the Company and meeting of the Creditors for the purpose of presenting the summary and giving an explanation of it.

143.3 Notice specifying the time, place and object of the meetings shall be published in a manner prescribed by the Registrar from time to time at least fifteen Business Days prior to the date of the relevant meeting.

143.4 Within five Business Days of the date of the relevant meeting, the liquidator shall issue a summary and minutes of that meeting and shall submit to the Registrar on request.

148.4 In an insolvent winding-up, the Liquidation Committee or a meeting of the Creditors (if there is no Liquidation Committee) shall determine whether the remuneration is to be fixed under Regulation 148.2(a) or 148.2(b), and, if under Regulation 148.2(a), to determine the percentage to be applied.

148.5 In the event that no remuneration has been fixed under Regulation 148.4, the liquidator may petition the Court to fix his remuneration.

149. **Resignation or removal from office of liquidator**

149.1 A liquidator may at any time resign by giving notice to the Company if there has been a change in personal circumstances which precludes or makes impracticable the further discharge by him of the duties of the liquidator.

149.2 The Court may, on cause shown, remove a liquidator or provisional liquidator from office.

149.3 A liquidator in a solvent winding-up or summary winding-up may be removed from office by an Ordinary Resolution of the Company and shall vacate office if he ceases to be qualified to hold that office.

153.3  A proof of debt shall specify any documents by reference to which the debt can be substantiated.

153.4  The liquidator may call for any document or other evidence which he thinks necessary for the purpose of substantiating the whole or part of the claim made in the proof of debt.

154.  **Admission and rejection of proofs of debt for dividend**

154.1  A proof of debt may be admitted for a dividend either for the whole amount claimed by the Creditor or for any part of that amount.

154.2  If the liquidator rejects a proof of debt in whole or in part, he shall prepare a written statement of his reasons for doing so and provide it to the Creditor.

155.  **Withdrawal or variation of proof of debt**

A Creditor may at any time, by agreement between himself and the liquidator, withdraw or vary a proof of debt.

156.  **Intention to declare and distribute dividend**

156.1  Where a liquidator intends to declare a dividend, the liquidator must deliver a notice of that fact to all known Creditors and, unless it has previously published a notice in accordance with Regulation 157, invite Creditors to prove for their debts.

156.2  The notice:

   (a) must be published in a manner prescribed by the Registrar from time to time; and
   (b) may be advertised in such other manner (if any) as the liquidator sees fit.

156.3  Following the expiry of the time period specified in the notice, proofs of debts received by the liquidator shall be accepted at the discretion of the liquidator.

157.  **Contents of notice**

A notice under Regulation 156 must:

158. **General priority of expenses**

The expenses of the winding-up are payable out of the available assets of the Company in the following order of priority:

160. **Reference of questions to Court**

160.1 The liquidator or any contributory or Creditor may apply to the Court to determine any question arising in the winding-up of a Company.

160.2 In addition, the Court may, on the liquidator's application, relieve him of any duty imposed on him by these Regulations, or authorise him to carry out the duty in a way other than as required by these Regulations.

160.3 In considering whether to act under Regulation 160.2, the Court shall have regard to the cost of carrying out the duty, to the amount of the assets available, and to the extent of the interest of Creditors or Shareholders, or any particular type or class of them.

160.4 The Court may make such order on the application as it thinks just.
161. **Dissolution**

161.1 Following the date of dispatch of the final summary and return, the liquidator shall submit an application to the Registrar for the Company to be Dissolved.

161.2 Where the realisable assets of the Company are insufficient to cover the expenses of the winding-up, and the affairs of the Company do not require any further investigation, the liquidator may at any time apply to the Registrar for the early dissolution of the Company.

161.3 Before making an application under Regulation 161.1, the liquidator shall give at least twenty Business Days’ notice of his intention to do so to the Company's Creditors and contributories.

161.4 The Company shall be Dissolved upon confirmation from the Registrar.

162. **Property and records of Dissolved Company**

162.1 Where a Company has been Dissolved in accordance with these Regulations, its remaining property and records shall be disposed of:

   (a) in the case of a solvent winding-up or summary winding-up, in accordance with the directions of a resolution of the Shareholders; and

   (b) in the case of an insolvent winding-up, in accordance with the directions of the Liquidation Committee or, where there is no Liquidation Committee, the Creditors of the Company.

162.2 Where the Registrar, in its sole discretion, determines that a direction has not been made under Regulations 162.1(a) or 162.1(b), the Registrar may petition the Court to determine the disposal of any remaining property.

162.3 After ten years from the Company being Dissolved, no responsibility rests on the Company, a liquidator, or a person to whom the custody of the records has been committed, by reason of any record not being forthcoming to a person claiming to be interested in it.

162.4 The Registrar may direct that for such period as it thinks proper (but not exceeding ten years from the Company being Dissolved), the records of a Company which has been wound-up shall not be destroyed.

**SECTION 22 - SANCTIONS**

163. **Sanctions**

A person who commits a contravention of these Regulations or any other regulation, rule, policy or decision administered by DMCCA will, at the absolute discretion of DMCCA, be subject to a Sanction.
164. **Administrative imposition of fines or penalties**

164.1 Where DMCCA considers that a person has committed a contravention of these Regulations or any other regulation, rule, policy or decision administered by DMCCA, DMCCA may impose on such person a fine or penalty up to the amount specified by DMCCA from time to time.

164.2 For the purposes of this Regulation 164, DMCCA may prescribe the applicable procedures in relation to the imposition, publication, collection and recovery of fines or penalties.

(e) it is otherwise necessary to protect the reputation of the DMCC Free Zone, the Emirate of Dubai or the UAE as a centre of business activities,

DMCCA may (but is not obliged to) by written notice to a DMCC Entity suspend a Licence of a DMCC Entity for such period as DMCCA may determine (including, without limitation, until a DMCC Entity has remedied the circumstances leading to the suspension to the satisfaction of DMCCA). If DMCCA suspends a Licence of a DMCC Entity pursuant to this Regulation 165.1, and subsequently reactivates the Licence, the fact that a Licence of the DMCC Entity has been suspended shall be included on the Licence(s) of the DMCC Entity at the discretion of DMCCA.

165.2 If DMCCA suspends the Licence of a DMCC Entity, it may also in its discretion suspend the Licence of any other DMCC Entity which is related to the DMCC Entity whose Licence has been suspended (whether by reason of mutual directors, managers, shareholders or otherwise).
165.3 If the Licence of a DMCC Entity is suspended, that DMCC Entity must not carry out any activities in or from the DMCC Free Zone pursuant to that suspended Licence during the period of such suspension, save meeting its obligations to Creditors.

166. **Power of DMCCA to terminate Licence**

166.1 Without limitation to Regulation 15.3, where it appears to DMCCA that:

(a) a DMCC Entity (other than an Exempt Entity) has ceased to carry out business for a period of more than three months (including by reason of the Licence of the DMCC Entity having been suspended pursuant to Regulation 165.1(a)) other than in accordance with Section 23;

(b) a DMCC Entity has failed to comply with the provisions of these Regulations or any other regulation, rule, policy or decision applicable in the DMCC Free Zone;

(c) a DMCC Entity has carried out any business for which it is not registered or licensed to carry out under its Licence;

(d) a DMCC Entity or any Officer or Representative of a DMCC Entity has failed to comply with any Sanction imposed under these Regulations within thirty Business Days of the Sanction being imposed;

(e) an Officer of a DMCC Entity has been convicted of criminal offence or any other offence involving fraud or dishonesty and has not been removed from office within ten Business Days of such conviction;

(f) an Officer of a DMCC Entity has been disqualified pursuant to Regulation 57 and has not been removed from office within ten Business Days of the date of the disqualification order issued by DMCCA;

(g) a Director has been disqualified pursuant to Regulation 57 and that Director is also the sole Shareholder of the relevant Company;

(n) it is otherwise necessary to protect the reputation and interests of the DMCC Free Zone, the Emirate of Dubai or the UAE as a centre of business activities,

DMCCA may (but is not obliged to) send to:

(a) the DMCC Entity (other than an Exempt Entity) a notice of termination stating that the Licence of the DMCC Entity is to be terminated with immediate effect; and

(b) an Exempt Entity, a notice of termination stating that the registration of the Exempt Entity is to be terminated with immediate effect,

in each case a **Termination Notice**. DMCCA may (but is not obliged to) notify the DMCC Entity in writing of the grounds for the issuance of the Termination Notice.

166.2 Upon receipt of the Termination Notice, a DMCC Entity must immediately cease its operations and close its premises.

167. **Power of DMCCA to Strike-Off**

167.1 Following delivery of a Termination Notice to the DMCC Entity, DMCCA may (but is not obliged to) request that the DMCC Entity provide reasons why it should not be Struck-off (a **Strike Off Notice**).

167.2 If within twenty Business Days after sending the Strike Off Notice a response to the satisfaction of DMCCA has not been received, DMCCA may (but is not obliged to) send to the DMCC Entity a second notice (**Second Strike Off Notice**) stating that at the end of sixty Business Days (or such longer or shorter period as DMCCA in its sole discretion determines) from the date of the Second Strike Off Notice, the DMCC Entity will be Struck-off unless DMCCA has been provided with a justifiable reason as to why the DMCC Entity should not be Struck-off.

167.3 If DMCCA issues a Second Strike Off Notice, it shall publish a notice (a **Public Notice**) on the website of DMCCA):

(a) that it intends to Strike-off the DMCC Entity after expiry of the point stated in the Second Strike of Notice;

(b) that, if the DMCC Entity is a Company, it intends to cause the Company to be Dissolved; and

(c) inviting any person to show cause why the DMCC Entity should not be Struck-off.

167.4 Subject to the issue of a Public Notice and after the end of the period mentioned in the Second Strike Off Notice, DMCCA may in its absolute discretion instruct the Registrar to Strike-off the DMCC Entity.
168. **Implications of Strike-off**

168.1 On the Striking-off of a Company, the liability (if any) of every Officer and Shareholder of the Company continues and may be enforced as if the Company had not been Struck-off. If such Company purports to enter into any obligation following it being Struck-off, any person purporting to bind such Company in respect of such obligation shall be personally liable for that obligation.

168.2 On the Striking-off of a Company pursuant to Regulation 167, the Shareholders must immediately commence winding-up proceedings in respect of that Company in accordance with Sections 14 to 21 of these Regulations.

168.3 If a Company has been Struck-off pursuant to Regulation 167, DMCCA may (but is not obliged to) submit to the Court a petition for the winding-up of the Company.

168.4 On the Striking-off of a Branch, any liabilities purported to be incurred by the Branch shall remain the liabilities of the Branch Parent.

169. **General contraventions provision**

170. **Involvement in contraventions**

170.1 If a person is knowingly concerned in (Person A) a contravention of these Regulations or any other regulation, rule, policy or decision applicable in the DMCC Free Zone, Person A commits a contravention.

170.2 For the purposes of Regulation 170.1, if Person A is an Officeholder of a corporate entity, the Officeholder as well as the corporate entity commits a contravention.

170.3 If the affairs of a corporate entity are managed by its Shareholders, Regulation 170.2 applies in relation to the acts and defaults of a Shareholder in connection with that Shareholder's functions of management as if that Shareholder were an Officeholder of the corporate entity.
170.4 For the purposes of this Regulation 170, a person is knowingly concerned in a contravention if, and only if, the person:

(a) has aided, abetted, counselled or procured the contravention;

(a) an order regulating the conduct of the Company's affairs in the future;
(b) an order requiring a person to do, or refrain from doing, any act or thing;
(c) an order authorising proceedings to be brought in the name of and on behalf of the Company by such person or persons and on such terms as the Court may direct;
(d) an order providing for the purchase of the rights of any Shareholder of the Company by other Shareholders or by the Company itself; or
(e) any other order as the Court sees fit.

171.2 If an order under this Regulation requires the Company not to make any, or any specified, alterations in its Articles, the Company must not then without leave of the Court make any such alteration.

171.3 An alteration in the Company's Articles made by virtue of an order under this Regulation 171 is of the same effect as if duly made by Special Resolution of the Company, and the provisions of these Regulations apply to the Articles as so altered accordingly.
171.4 The order of the Court recording the making of an order under this Regulation altering, or giving leave to alter, a Company's Articles must, within fourteen Business Days from the making of the order or such longer period as the Court may allow, be delivered by the Company to the Registrar for registration.

171.5 Nothing in this Regulation affects the powers that any person or the Court may have apart from this Regulation.

SECTION 23 – DORMANCY

172.1 Subject to compliance with any rules issued by the Registrar or DMCCA from time to time, a Company (other than an Exempt Entity) may request, following approval by an Ordinary Resolution, the Registrar to suspend its Licence for a period of up to twelve months or longer period approved by the Registrar.

172.2 With effect from the suspension of its Licence following a request made under Regulation 172.1, the relevant Company (other than an Exempt Entity) must not trade in or from the DMCC Free Zone pursuant to that Licence until such time as the Registrar has reactivated the Licence of that Company.

173. Additional rules in respect of dormant Companies

The Registrar or DMCCA may from time to time issue additional rules in respect of dormant Companies who have voluntarily suspended their Licence.

175.1 In this Regulation 175, a reference to a relevant provision is a reference to any provision of these Regulations which is expressed to be capable of waiver or modification by DMCCA or the Registrar.
175.2 DMCCA may:

(a) on the application of a person; or
(b) with the consent of a person,

by means of a written notice provide that one or more relevant provisions either:

(i) does not apply in relation to such person; or

175.3 A written notice may be given subject to conditions.

175.4 A person to whom a condition specified in a written notice applies must comply with the condition.

175.5 In the event of failure to comply with a condition, the Registrar may, without limiting any other powers that the Registrar may have, apply to DMCCA for an order, including an order that the person must comply with the condition in a specified way.

175.6 Unless the Registrar is satisfied that it is inappropriate or unnecessary to do so, the Registrar must publish a written notice in such a way as the Registrar considers appropriate for bringing the notice to the attention of:

(a) those likely to be affected by it; and

(c) any other matter as DMCCA may prescribe,

which may be attributable to the conduct of the relevant DMCC Entity or of its Officers and/or Representatives.

176.2 Regulation 176.1 does not apply to the extent that compliance with such requirement would disclose a Privileged Communication.

176.3 A DMCC Entity must establish and implement appropriate systems and internal procedures to enable its compliance with Regulation 176.1.

176.4 Any provision in an agreement between a DMCC Entity and an Officer, Representative or auditor is void if it purports to hinder any person from causing or assisting a DMCC Entity to comply with an obligation under Regulation 176.1.

176.5 No person may be subjected to detriment or loss or damage merely by reason of undertaking any act to cause or assist a DMCC Entity to comply with an obligation under Regulation 176.1.

177. Disclosures to DMCCA or the Registrar

A person is neither liable to a proceeding, nor subject to a liability, nor in breach of any duty, merely by reason of the giving of information or production of a document by the person to DMCCA or the Registrar:

(a) in good faith; and

(b) in reasonable belief that the information or document is relevant to any functions of DMCCA or the Registrar,

whether such information or document is given or produced pursuant to a requirement at law or otherwise.

178. Irregularities

178.1 In this Regulation 178:

(a) procedure is a reference to any procedure including but not limited to the making of a decision, the conduct of a hearing, the giving of a notice, and any proceeding whether a legal proceeding or not; and

(b) procedural irregularity includes a reference to a defect, irregularity or deficiency of notice or time.

178.2 A procedure under these Regulations or any other regulation, rule, policy or decision applicable in the DMCC Free Zone administered by DMCCA or the Registrar is not
invalidated because of any procedural irregularity unless the Court declares the procedure to be invalid.

178.3 A person may apply to the Court for an order:

(a) declaring that:

(i) any act or thing purporting to have been done; or

(ii) any procedure purporting to have been commenced or undertaken,

(b) extending or shortening the period for doing any act, matter or thing or commencing or undertaking any procedure under these Regulations or any other regulation, rule, policy or decision applicable in the DMCC Free Zone,

183. **Legislative authority**

These Regulations are issued by DMCCA under Rule No. 4 of 2002 for Organising Operations at the Dubai Metals and Commodities Centre, as amended from time to time.

184.4 Without limiting the generality of Regulation 184.3, and subject only to Regulation 184.5, such repeal and replacement does not affect:

(a) any right, privilege, remedy, obligation or liability accrued to or incurred by any person; or

(b) any investigation or legal or administrative proceeding commenced or to be commenced in respect of any such right, remedy, privilege, obligation or liability, under the Previous Company Regulations (or any rule, regulation, policy or decision made under the Previous Company Regulations) and any such investigation or legal or administrative proceeding may be instituted, continued or enforced, including any penalty, fine or forfeiture, under these Regulations.

(b) there is an investigation or legal or administrative proceeding as specified in Regulation 184.4(b),

the relevant provision from the Previous Company Regulations (or any rule, regulation, policy or decision made under the Previous Company Regulations) is treated as surviving the repeal and replacement under this Regulation 184 until such time as the matter is addressed.

184.6 DMCCA may establish any transitional or saving provisions as it deems necessary so as to give effect to, or to facilitate, the transition from the Previous Company Regulations (and any rule, regulation, policy or decision made under the Previous Company Regulations) to these Regulations.
184.7 Each Company must within twenty-four months from the date the Regulations come into force (or such other period as may be agreed with the Registrar), amend its Articles to the extent that the provisions of its Articles are contrary to or inconsistent with these Regulations.

184.8 These Regulations apply in the jurisdiction of the DMCC Free Zone.

184.9 For the avoidance of doubt, the provisions of Federal Law No. 2 of 2015 Concerning Commercial Companies do not apply to any DMCC Entity.
