- The DSAM Kauthar Gold Fund is the first Shariah compliant fund of its kind, developed by Dubai Shariah Asset Management (DSAM). DSAM is a joint venture between Dubai Commodity Asset Management (DCAM), a wholly-owned division of the Dubai Multi Commodities Centre (DMCC, www.dmcc.ae), an agency of the Dubai government, and Shariah Capital (www.shariahcap.com).
- Dubai Commodities Asset Management, which is licensed by the Central Bank of the United Arab Emirates, is responsible for the distribution of this document and any materials relating to the DSAM Kauthar Gold Fund, Ltd. ("the Fund") in the United Arab Emirates only. This is not an offer or solicitation to subscribe to interests in the Fund. Such offering is made only by means of the applicable Offering Memorandum. This Fund is NOT registered in the United States of America and NOT open to American investors.

Investors may subscribe for shares in the DSAM Kauthar Gold Fund only pursuant to the Offering Memorandum for the Fund and the other offering documents, which will be provided upon request. This information sheet is qualified in its entirety by the Offering Memorandum. This writing is not an offer to buy securities, or a solicitation to buy securities. Investments in the Fund involve risk, and investors should consult their investment professionals prior to subscribing for shares. Offers to buy and sales of shares in the Fund will be made only in jurisdictions in which it is legally permitted to do so. Important information about the Fund is contained in the Offering Memorandum, including a detailed description of the Fund's investment objectives, investment strategies and risk factors. There can be no assurance that the Fund's investment objectives will be met. The returns presented in this information sheet are net of asset management fees, but do not take into account other fees that may apply such as a sales fee. The Fund provides investors with exposure to the returns of the Tocqueville Gold Focus Fund, a Sub-Trust of the Al Safi Trust. The returns of the Fund may be different from the returns of the Tocqueville Gold Focus Fund for a number of reasons including, but not limited to, differences in management fees assessed by the Fund. As stated in the Offering Memorandum, fees incurred by the Fund include, in addition to those fees referenced above, management, performance, administrative and other fees assessed by the Tocqueville Gold Focus Fund. Prior performance of the Fund is not guaranteed and is not indicative of future performance.
