

Company Name Reservation Rules and Guidelines

Rules and Guidelines

- The name should not contradict the activity. However, It's preferred to reflect it.
- The name should not be reserved if it is protected/has copyright against it.
- The word COMMODITIES can be granted only if the company trades in more than one commodity or practices General Trading activity.
- UAE, Emirates, City's names, Districts, and Airports Codes of UAE are Restricted.
- The trade name cannot start with "international" "Middle East" "Global" etc... Nor can it be translated.
- The name should not have obscene or indecent words, and should not be offending to the general public even if it is a person's name.
- The name should not indicate God's names or his divine attributes neither in Arabic nor in English; i.e. AL QADER, AL ALEEM, AL RAZZAQ...etc.
- Individual first names of Arabic origin can be used if the name belongs to one of the proposed shareholders. Family names would be used only if the first name is included and must be a name of one of the proposed shareholders.
- Company's names are phonetically translated not literally.
- The names must not be similar as government's organizations' names or it's abbreviations.
- The names must not contain any indication of global political organizations, religious sectarian; i.e. FBI, Vatican...etc.
- The name should not fully or partially contain any of the local or global active brands or government projects such as: Toyota, Emaar, KFC...etc.
- The name would not be granted if it is similar to DED/Local active company that performs similar activities,
- NOC/Commercial License Copy/Share Certificate/Valid Franchise Agreement...etc. is to be provided if the proposed name is protected or locally registered.
- The Operating Name must not contradict it's company's name and must comply with all above rules.
- Subsidiary's Name must not be as similar to its parent company's name, Legal Type and Suffix are not considered as part of the name, and must comply with all above rules of NR.
- Joint Venture's Name can be reserved as similar to its parent company's name upon NOC and or Justification letter whichever is needed based on the particular case.
- Branch's name must be the exact similar of its parent company's unless it contains restricted words (Legal type not included)
- DMCCA reserves the right to update/Change the list of restricted names/Rules without prior notice.
