

# Commodity Murabaha Solution

The ability to register commodities and transfer ownership from “supplier to bank to purchaser to market” allows Tradeflow to cater to the Islamic finance community.

Tradeflow facilitates digital murabaha transactions for Islamic banks in GCC and the rest of Asia i.e. Afghanistan, Malaysia, Indonesia, etc.

## Key Facts

- *Approved by the Dubai Islamic Economy Development Center as a major initiative aiming to promote Islamic Finance*
- *Regulated and audited by Dar AL Sharia*
- *Tradeflow won the Best Murabaha Platform at the Islamic Business & Finance Awards in 2016*
