

## DMCC Claims Two Customer Experience Awards

27 January 2019

---

2019 got off to a fantastic start for DMCC with the world's leading Free Zone becoming the recipient of two highly coveted industry awards.

DMCC claimed the "Best Government Use of Digital" and "Contact Centre" award, with the announcement made at the prestigious [Gulf Customer Experience Awards](#) (GCEA) event in Dubai last week.

GCEA sees businesses from across the Gulf submit entries and compete for the ultimate accolade in the world of customer experience. The annual event is internationally recognised, and officially supported by the Dubai Economy entity.

The awards signify the efficacy of DMCC's strategy to lead from the front, drive innovation and prioritise the experience of its rapidly growing customer base.
